Vanguard Announces IBM Systems Magazine as the Official Media Sponsor for Vanguard Security and Compliance 2016

Sponsorship Supports 30th Anniversary Cybersecurity Education, Hosted in Las Vegas

LAS VEGAS – May 26, 2016 – [Vanguard Integrity Professionals](#), the experts on cyber security for large enterprise, cloud and IBM® z/OS Security Server, today announced [IBM Systems Magazine](#), an industry publication for IBM Mainframe and Power Systems customers, as the official media sponsor of the 30th Anniversary Vanguard Security and Compliance 2016, November 14-17 at The Westin Las Vegas Hotel. As the world’s largest educational forum dedicated to cyber security training for z/OS Security Server, Vanguard Security and Compliance is committed to providing security experts with critical knowledge and hands-on skills to secure their enterprise and mitigate risks using the latest security technologies and techniques.

“Vanguard Security and Compliance 2016 is proud to welcome *IBM Systems Magazine* as its official media sponsor,” said Brian Caskey, chief marketing officer at Vanguard. Vanguard is committed to securing the enterprise. Attendees will learn how to secure their networks today and in the future, while gaining the latest industry knowledge from industry experts. *IBM Systems Magazine* recognizes the importance of mainframe-specific technical security training, and this sponsorship reflects the shared commitment to providing ongoing support for large enterprise security.

Vanguard Security and Compliance, now in its 30th year, has provided educational training for tens of thousands of security experts ensuring the protection of their critical infrastructures. Each year as the security threatscape and regulatory environments evolve, the training advances to address today's toughest security and compliance challenges.

This year, Vanguard Security and Compliance will welcome expert instructors from Vanguard, IBM, CA Technologies and many others. These experienced educators will provide attendees with key insights and professional guidance on topics that include:

- Cloud and Cyber Security
- Security and IoT
- Continuous Monitoring
- Best Security Practices
- Hot Topics and Security Trends

At Vanguard Security & Compliance 2016, you will:

- Network, Collaborate and Learn from industry leaders including those from private industry, government agencies and Vanguard Integrity Professionals.
- Gain critical knowledge of how the latest technologies could affect your organization.
- Gather the latest information to ensure compliance with industry standards.
