VANGUARD INTEGRITY PROFESSIONALS AT SHARE in SAN ANTONIO
Vanguard to Exhibit, Sponsor and Speak at Share Feb. 28-March 4, 2016

LAS VEGAS, NEVADA – February 29, 2016 – Vanguard Integrity Professionals, Inc., cybersecurity experts for networks, distributed systems and large enterprises, is proud to be a sponsor at SHARE in San Antonio Feb. 29-March 4, 2016. Additionally Vanguard will be presenting on topics addressing the latest security, governance and compliance issues. Vanguard will showcase its security solutions demonstrating how they play a vital role protecting any large enterprise, cloud or z/OS security server environment.

SHARE began as the first-ever enterprise IT user group back in 1955, and continues to deliver important avenues of professional growth for the industry today. While the means of learning, networking and influencing this space have evolved – the desired result of providing a valuable user-driven perspective is the same.

Vanguard attended the SHARE Orlando event in 2015, and presented several sessions. Brian Marshall Vanguard's vp of research and development was identified as the winner of a Best Session Award.

Security experts from Vanguard including Brian Marshall are speaking at SHARE in San Antonio. Vanguard executives will discuss the latest security and compliance topics, trends and techniques in five sessions over four days. We invite you to attend these informative security and compliance sessions.

Please make plans to attend one of our sessions and visit us at Booth 624 at the SHARE Technology Exchange Expo.
