Vanguard Announces Philip Young will be the Opening Keynote Speaker for Vanguard Security and Compliance 2016

Philip Young to discuss the Current State of Mainframe Hacking at VSC2016

LAS VEGAS – August 10, 2016 – [Vanguard Integrity Professionals](#), the experts on cyber security for large enterprise, cloud and IBM® z/OS Security Server®, announces Philip Young, CISA, CISSP, B.A. Computer Science, co-founder of Zed Sec 390, will be the opening keynote speaker at the 30th Anniversary Vanguard Security and Compliance 2016, November 14-17 at The Westin Las Vegas. As the world's foremost educational forum dedicated to cyber security training for z/OS Security Server, Vanguard Security and Compliance is committed to providing security experts with critical knowledge and hands-on skills to secure their enterprise and mitigate risks using the latest security technologies and techniques.

"Vanguard Security and Compliance 2016 is proud to welcome *Philip Young as our keynote speaker for our conference*," said Brian Caskey, Chief Marketing Officer at Vanguard. "Philip will discuss The Current State of Mainframe Hacking, focusing on current known attack vectors and bringing them to the forefront of security discussions." Mr. Young will also present various other cybersecurity topics during the conference.

Vanguard Security and Compliance, now in its 30th year, has provided educational training for thousands of security experts ensuring the protection of their critical infrastructures. As security threatscape and regulatory environments evolve, up to date training is required to address

today's toughest security and compliance challenges.

Vanguard Security & Compliance™ brings together global cybersecurity leaders from private industry, government agencies and Vanguard's own cybersecurity experts to deliver the most complete knowledge-based training to secure and defend networks, distributed systems and IBM System z®. This event is ideal for information security and compliance professionals from public and private sectors to benefit from the most advanced cybersecurity training available in the marketplace today.

Vanguard Security & Compliance™ 2016 will take place November 14-17, 2016 at the Westin Las Vegas Hotel. For complete details and online registration, please visit www.go2vsc.com.
