## **VANGUARD INTEGRITY PROFESSIONALS APPOINT NEW PRESIDENT**

*Brian Marshall is the New President of Vanguard Integrity Professionals.*

LAS VEGAS, NEVADA – October 12, 2017 – [Vanguard Integrity Professionals, Inc.](#) cybersecurity experts with cybersecurity solutions securing any enterprise, is proud to announce that Brian Marshall will serve as the New President of Vanguard Integrity Professionals. Brian Marshall joined Vanguard in 2006 serving initially as the Director of Research & Development and subsequently promoted to Vice President of R&D before his appointment as the new President of Vanguard.

“Today marks an incredibly exciting day. In an effort to drive a more customer-centric focus, I have made an important decision for the future of Vanguard, by appointing Brian Marshall as the new operational leader and President of Vanguard Integrity Professionals,” said Ronn Bailey, Vanguard Integrity Professionals Founder, CEO and CTO. “In his new position, Brian will report directly to me and assume responsibilities for all facets of Vanguard’s operational business.”

During Marshall’s time in Research & Development, he was the primary architect and visionary behind Vanguard Configuration Manager, which was the first automated baseline configuration scanner that enables government agencies and contractors to test and assess their compliance with the National Checklist Program (NCP) guidelines, of the National Institute of Standards and Technology (NIST), for IBM® z/OS® and RACF®.

Prior to joining Vanguard, Marshall served 11 years in software development management at Computer Associates® and Innovative DP Designs, Inc., where he led the development of IMS database utilities. He was also a professor of computer science at Solano College in Fairfield, California.

Marshall holds one shared patent on a method of reorganizing IMS databases online. He is also an expert on NIST security standards. Marshall remains an active educator and speaker on numerous z/OS security and compliance topics at RACF User Groups (RUGs), Vanguard’s annual security and compliance conference and other industry conferences.

Marshall holds a BS in computer science and [an](#) MBA, both from Sonoma State University.

You can hear Marshall speak at this year’s Vanguard Security & Compliance™ Conference 2017 which brings together global cybersecurity leaders from private industry, government agencies and Vanguard’s own cybersecurity experts to deliver the most complete knowledge-based training to secure and defend networks, distributed systems and IBM System z®. This event is ideal for information security and compliance professionals from public and private sectors to benefit from the most advanced cybersecurity training available in the marketplace today.

Vanguard Security & Compliance™ Conference 2017 will take place October 16-19, 2017 at the Marriott DFW Airport South Hotel. For complete details and online registration, please visit: [www.go2vsc.com](http://www.go2vsc.com)
