VANGUARD INTEGRITY PROFESSIONALS ANNOUNCE WEBINAR
Leading Cybersecurity Experts to host IBM Systems Magazine Webinar
What You Don't Know Can Hurt You -
Purposeful Ignorance is no excuse for Plausible Deniability!

LAS VEGAS, NEVADA – October, 10 2017 – [Vanguard Integrity Professionals, Inc.](http://VanguardIntegrityProfessionals.com) cybersecurity experts with cybersecurity solutions securing any enterprise, announce the date and time of an IBM Systems Magazine webinar entitled What You Don't Know Can Hurt You - Purposeful Ignorance is no excuse for Plausible Deniability! The Vanguard Webinar will be hosted on Wednesday, October 11, 2017 at 12:00 P.M. CDT.

The hour-long webinar will feature Brian Marshall, president, of Vanguard Integrity Professionals. Marshall will discuss the various steps required to reduce the risk and likelihood of suffering a security breach.

- Learn that expenditures and penalties associated with non-compliance are far greater than the cost of proper security and compliance solutions.
- Understand how to approach your company's decision makers in order to obtain a budget for an enterprise security solution.
- Hear about the impact and damage of the most recent security breaches.
- Gain knowledge about NIST, PCI-DSS, GDPR and the various actions an organization can take to prevent non-compliance.
- Vanguard will identify the proper steps required to reduce the risk of suffering a security breach.

Risk Management, Compliance and IT Departments traditionally struggle to obtain the budgets required for security and compliance solutions to protect their organizations. Learn how to convey that the cost of non-compliance could far exceed the investment for a proper security and compliance solution.
