The Vanguard Security & Compliance™ 2018 will be held September 10 through September 13, 2018 in Dallas – Fort Worth, Texas for the second year in a row.

"Vanguard has consistently produced the most intense knowledge-based educational forum. Caskey further commented, "With increased threat levels, cyberattacks have become mainstream. We see new threats from more venues than ever before. There are literally unlimited paths into an organization's infrastructure and more risk than previously observed."
